

**War on Terror: Student Questions**

This information was prepared from your 'What you want to know' questions from yesterday's KWL chart. There is a lot of information and I do not expect you to record it all, however you should have a general knowledge about the Iraq and Afghanistan wars. I suggest your write on the back of the KWL chart or on a seperate piece of paper.

**Exam Hints\*:**

- Identify and Significance
- Why do we enter or not enter wars/conflicts
- Canada being independent/national identity
- Peacekeeping
- \*Where you must or may discuss these topics

These slides will include the question / subheading but rarely the details. You will need to decide what is important to record in your notes.

Remember, this is still new information for historical purposes and the answers will continue to evolve over time as we gather more information.
