

Teens & Social Media

Task: You are asked to answer **any two** of the questions below, in one paragraph each. Each paragraph will be marked out of ten for completeness of thought and answering the question at hand.

1. What type of digital footprint is being created? How might it impact users today and in the future? Think about social media as an evolving personal resume that is not easily edited.
2. Life moments and memories are an integral part of our lives. Do we want them to be viewed by everyone? Will they expose us to risk?
3. What is the intent and focus of social media communication?
4. Communication may be evolving, but being a quality communicator will remain a critical success factor. How is the use of social media shaping communication skills?
5. What are the implications for building effective lines of communication with different generations?
6. Do you think technology is helping or hurting your ability to connect with the most important people in your life?
7. A question of your creation: _____
